Please make sure that you attend one of the listed judges and score keepers workshops. Those that completed last year's workshops only need to take the refresher's workshop to be certified for this year's event. Only certified judges and trained scorekeepers will be used. Contact the Director of your discipline style and make sure your name is on their list. All judges will be pre-assigned ring duties and times that they are needed to work. I would like everyone to volunteer and come to the workshops so that we may put on the best tournament possible. This is only possible with your hard work and dedication. Scheduled workshops are listed below. Be sure to attend and become a certified Judge or trained scorekeeper. Please check the website for other scheduled Judges/Scorekeepers workshops.

Date June 7th SMA Open Martial Arts Tournament
Huntington Beach CA.

This will be a certified Judges Clinic For
American Kenpo, SMA, and NBL

Others workshops will be listed as they become scheduled so please check the website:
for updated times and locations.
